Think Outside the Box

Russell's Ramblings

As our District Governor year winds down, it has been a year of learning, growing and changing. Personally, it has been a year of challenges and memorable experiences. We have travelled our expansive district and met some wonderful Lions, who I can now count as friends. I appreciate all the support and encouragement received this year from my district.

We still have challenges ahead. I turn the district leadership over to the able hands of Vice District Governor Keith Perrine, who will represent us in Milan, Italy and who will return with stories of his adventures while in those meetings. Have fun Lion Keith and save those memories of "your year."

As this is written, we are preparing for our Multiple District 2 convention in Waxahachie. The culmination of our year as your Governor will be shared with 15 more Governors from across our state. Over the past 3 years we have been through training, trials and tedium with this group of great Lions. I am told that lifelong friends are made within each Council of Governors and we will share our future as Lions with each of them.

Your Governor retired from fulltime employment just before assuming office. I have not looked back on leaving the professional world because of my "job" as your governor. So, now the questions is posed, "What are you going to do now?" I have accepted the position of Board Chairman with our West Texas Lions Eye Bank. I have learned about the needs and challenges of an eye bank. I have also enjoyed the benefits and blessings of a Lions Eye Bank and can say that within Lionism, there are not many more crucial roles we can play. I implore every club to contribute to this worthy aspect of our District 2 A-1 outreach.

I also will be assisting my home club, The Midland Downtown Lions Club, in service, growth and outreach. Each of our clubs must begin developing leadership and "followership" in order to grow. Remember, the worst reason to do anything is because "We always did it that way."

I get to be your Immediate Past District Governor until Governor Keith finds himself where I currently sit. I will be there to be his sounding board, advocate and mentor. I have appreciated IPDG Armando's counsel and presence this year.

Then, I get to be a PDG. As a member of this august fraternity I will be your Permanent Dinner Guest. Hopefully, I will be called upon to induct new members into our fold and install new officers into service.

It has been an honor and privilege to serve as your Governor this year. It is great to be a Lion.

Moving Forward for Texas.....

” Moving Forward for Texas” will become District 2-A1’s vision for the future.

As of July 1, 2019, I am honored to become your District Governor for 2019 – 2020. We must start looking forward to helping today's Lions and future Lions in Texas to achieve their goals.

I am looking forward to becoming your District Governor. With this position the challenges are great, and the opportunities are many. The year will be filled with installation banquets, club meetings, service projects, fund raising events, membership drives, cabinet meeting, zone meetings, MD-2 Council Meetings, Lions Camp Work Days , USA/Canada Lions Leadership Forum, Lions University, Texas Lions Leadership Forum and numerous other events. All these events are in place to help us maintain and reach the five visions Lions strive to serve: Vision, Juvenile Cancer, Diabetes, Hunger and Environment.

MEMBERSHIP, yes as you might expect membership will be key to our motto “Moving Forward for Texas”, so I would like to ask all 2-A1 Lions to ask “**ONE PERSON**” per month to join the most successful service organization in the world and most certainly in Texas and 2-A1. Please ask, if you do not ask, you could possibly be missing a new brother or sister devoted to the Lions motto “WE SERVE”.

The first step in the process will be to communicate the activities that are set, so that you might be able to join fellow lions of 2-A1 in fellowship and learning. All Lions are encouraged to attend any and all events.

The San Angelo Lighthouse Lions Pancake Breakfast was a success! Had an amazing time serving the public and meeting new people.

Due to scheduling conflicts, some Lions can't attend meetings &/or events, but they're a vital part of one's club, nonetheless. Celebrating 25 years as a member of the San Angelo Downtown Lions, Lion Wrey Montgomery is a prime example of a dedicated Lion serving his club & community through his philanthropic support.

TLC: Seventy Years of Smiles

For 70 years the Texas Lions Camp has been putting smiles on the faces of some very special Texas children. If you missed the article in last month's 2A1 Newsletter about Elizabeth Gustafson "Peepers" (shown on left), you need to get on our website and read it. She is an inspiration to all – young and old - with her positive attitude amidst the most trying of circumstances.

Elizabeth is this year's Camper Ambassador for the Texas Lions Camp 26th Harry Wickersham Golf Tournament (August 1, 2019 Lady Bird Johnson Golf Course, Fredericksburg, TX). Last year with the help of this year's sponsor, James Avery Artisan Jewelry, the tournament passed the \$1,000,000 mark in funds raised for TLC, but James Avery must have thought it took too long to hit that mark. So this year James Avery has upped the ante with a challenge grant of ———

\$100,000!

This is a dollar for dollar match on the 1st \$100,000 donated towards the tournament this year. With only a couple of months to go, we still have \$35,000 on the table. However, we are at just the right moment in the year to do something about that, since many clubs are now spending their charity fund dollars to support our Lions charities. Of course, if you have a golf team by all means come play in the tournament; but the real money is made by hole sponsorships – lots and lots of them, something in which District 2A1 has been sorely lacking. Many districts are in the \$10,000 plus range, while we normally last or close to it with under \$400.

So what can you do? For the most part, our 2A1 Clubs have been unaware of the Wickersham Tournament and so we have given our money to the camp in other ways. So with a little more strategic giving we can double the money to the camp by making use of the James Avery match. **1)** Instead of honoring special Lions with life memberships, sponsor a hole or two in their name. They won't get a certificate to hang on their wall, but most of these special Lions don't "serve" to get plaques or pins and you can always make up a certificate on the computer to give at your awards dinner. **2)** If your special honoree already has a Jack Weich Fellowship, buy him or her 10 hole sponsorships or split it and honor 2 Lions. With the match it still amounts to \$1000 in their honor. **3)** Certainly don't break a consecutive string of being a 100% Club, but instead of being 200% give the rest through the tournament to double the value. **4)** Make your members aware and have forms available, so they can buy sponsorships on their own. The form is in the newsletter or can be found on the Camp website (www.lionscamp.com).

Governor Russell & DG Elect Keith have already been working hard on this project and with our help this year, we can prove that we are the A1 District in Texas and get off the bottom – but more importantly we'll keep putting smiles on children like "Peepers"!

2019 Texas Lions Camp Harry Wickersham Golf Tournament Hole Sponsorship Camper – Elizabeth Gustafson

The 2019 Texas Lions Camp Harry Wickersham Golf Tournament Camper Ambassador is Elizabeth Gustafson. “Peepers”, as she is known to her family and close friends because of her big beautiful brown eyes, calls Waco home. Elizabeth has attended TLC for the past 4 summers and talks about camp affectionately as “the best place on earth”. For Elizabeth, TLC is a camp for kids with special abilities just like her. She can do anything there, try new things, do everything other kids can do and have tons of fun while doing it.

Elizabeth loves school, especially reading, math and science. But helping others is really her favorite thing to do. At school, sometimes Elizabeth needs help traveling from one class to another. The students who help her, in turn she tutors them in whatever subjects they are having trouble. Outside of school she volunteers and raises resources and awareness for those in need. Her mother Michelle describes Elizabeth as the hardest working, most loving and kind, generous and thankful kid she knows.

Her mother, Michelle, tells of Elizabeth’s conditions, periventricular leukomalacia (PVL) and CP with spastic quadriplegia and how they do not define her daughter and her abilities. She said, “Elizabeth had a rough start to life. Born at 29 weeks and with complications at birth, she’s endured multiple surgeries and procedures throughout the twelve short years of her life. Lots of people rush through life, but not her. She enjoys life each day and takes time to smell the flowers. No matter what she has been through physically, surgeries, or therapy, she just keeps going. Even in times of struggle or pain, she still looks for ways to help others around her that are in need.

“TLC was amazing and perfect for Elizabeth from the very start. She loves riding the horses and going down the zip-line. But this past summer, she fell in love with Camp Scene Investigation (CSI). The mock crimes around campus gave her and her group opportunities to solve problems and work together to solve the crime. She loved every minute of it. She always feels included at TLC and things are adapted, and modified for her to participate. The support staff make the impossible possible and those international staff cause Elizabeth to speak in an English Accent all the time, even long after she goes home.

Elizabeth came home from camp her first summer and asked, “Mom, we need to get more kids to go to camp, and help them to get there. How can we do that?” Michelle responded with, “I guess me becoming a lion would be the best place to start, so I can help

sponsor kids.” “How long will that take?” Elizabeth asked. Two weeks later, Michelle had joined the Waco Women’s Lions Club and will be serving as their president next year. Her husband, Lynn, the only man in the club, serves as the treasurer. Through their love for Elizabeth and her drive to serve others, especially children just like her,

Michelle and Lynn have fought tirelessly to follow their daughter’s lead and do everything they can to help others as well. They are proud of the strong, compassionate young woman she has become and will continue to become because of places like TLC which helps her to grow.

Elizabeth and her entire family are excited about being a part of the 26th Annual Harry Wickersham Golf
