Moving Forward For Texas

February 28, 2020

Today marks the 244th day of the 2019-2020 Lions year. That means there are 121 days left. During the first 244 days the district has lost 4 clubs and some 68 members. Service projects that have been reported are at 434 with only 38% of total clubs reporting. Clubs in the district are living up to the "WE SERVE" motto but clubs need to report all service activities. Clubs that are 100% donors to the district charities number 12 out of 43. Having highlighted some of the short falls during the first 244 days, I can say I look forward to next 144 days with great expectations.

During the next 4 months myself, 1st VDG Glenn and 2nd VDG Joel will be visiting as many clubs as possible, in an effort to get all clubs reporting their service activities. The club secretaries will be the key component for this activity.

We will be undertaking a club re-build effort in early May in Brownwood Texas. If anyone would like to help or know of another club we might want to re-build let me know. Re-building will increase membership, establish goals for club and add value to club.

If you would like to have some assistance on how to report activities by secretaries or treasurers, please give me a call at 325- 656-3252 or email: keith.perrine@hotmail.com

As always let me leave you with the membership motto," just ask "ONE" person to join Lions."

Thanking you in advance,

DG Keith

Special Message from DG Keith to District 2A1 Lions

Greetings, first let me say I hope all the Lions, their families and love ones are doing well.

The coronavirus has led to many changes in all our lives. There are several that have affected the Lions calendar of events.

The International Convention on June 28 – June 30, 2020 in Singapore has been cancelled. There will not be a International Convention this year. The current International President, 1st VP, 2nd VP and all international officers and directors will serve for another year with the 2020-2021 convention being held in Montreal Canada.

The 2A1 District convention on April 17&18, 2020 in San Angelo has been cancelled. The election of district officers will be done by mail, nominations are Lion Glenn Sheppard for District Governor, Lion Joel Kuykendall for 1st VDG and Lions Gordon Tatro and Donald McConnell for Lions Camp Director West. At present we do not have a nomination for 2nd DG. Details on each club standings and number of voting delegate will come out soon.

The MD-2 State Convention has been postponed from May14-16,2020 until June 25-27,2020. Updates will be provided as received.

The Lions University for District 2A1 on June 6, 2020 in Kingsland has been cancelled.

The Lions University on May 23,2020 in San Angelo has also been cancelled.

Currently most clubs in 2A1 are not meeting or meeting on a limited schedule. Please take all steps to protect yourself and others in these trying times.

Things have changed and will continue to change daily, but we will return with stronger dedication to life, liberty and family.

“WE SERVE”

DG Keith

I forgot to include Lion Donald McConnell as a candidate for Lions Camp Director West. There will be two candidates running for this position. I will have the two resolution letters placed in the newsletter for all to read.

San Angelo Lions Charities

Sunset Mall in San Angelo offered us a spot in their Healthy You Expo in January. The San Angelo Lions Charities set up a table, handed out brochures, visited all the other tables and talked to them about Vision Screening, the Eyeglass Recycle Center and TLERC in Midland. Lion Faye Armstrong and Lion Mary Tufts of East Angelo Lions, Lion Estela Salas of Southside Lions and Lion Sandra Freeman and Lion Koste Belcheff of Concho Pearl Lions were there to answer questions, talk about our Vision Screening Camera and visit with folks as they stopped by.

Concho Pearl Lions Club

Concho Pearl Lions were busy working the San Angelo Stock Show and Rodeo from Jan 30 to Feb 15. Lots of contact with public and fun making cotton candy and popcorn.

Out of 29 members we had 21 who volunteered their time during this almost 3 week time frame from 10a-8p each day. What a great group of club members we have!! Those who could not work for various reasons cheered the rest of the club on.

San Angelo Downtown Lions Club

Once again, Thursday is Lions Club Day. So, it's a great day! On this occasion, Lion Terri Bomberger was inducted as the Club's newest member, Master Police Officer Butch James spoke about his program "One Toy At A Time" & District Governor Keith Perrine drew the winning card during our weekly raffle. Talk about dynamic!

[#SADLC](#) [#Lions](#) [#WeServe](#)

An inspiration to all, Lion Kara held her Third Annual Moebius Awareness Fun Run this past Saturday. Despite the cold temperatures, so many wonderful people came out to support Kara & her incredible cause. Lion Kara, we are so very proud of you & look forward to next year & the years to come!

Valentine's Day cheer! We were able to provide red roses and candies to all the residents and staff of Cedar Manor Nursing Home. One of the best feelings in this world is to make others smile

Rowena Lions Club

Lion Leroy Schuhmann , 70 year charter member of the Rowena Lions Club, received his chevron from District Governor Keith Perrine with members of the Rowena club looking on.

As Lion Leroy was receiving his chevron by DG Keith he stated "I've been waiting for this chevron."

Leroy was known to put on his Lion vest every Thursday in honor of the Rowena meeting. He had not been able to attend meetings for some time, but always wore his vest. He was wearing his vest as he was lying in bed, to receive the chevron. Leroy passed some weeks later after receiving his 70 year recognition, God bless you, Lion Leroy.

Dear Lion,

Giving is a truly selfless act and a very personal decision. No matter the amount, every gift is important and helps Lions accomplish great things.

Donations to LCIF are so important that I want you to know exactly how contributions to LCIF make our work possible.

When a gift is made to LCIF, it is designated toward either disaster relief or to the Empowering Service Fund. You have seen the devastation from a hurricane, an earthquake, wildfire, and other horrific events. Sometimes people lose their homes and everything they own, escaping with just their lives and the clothes on their back. Sometimes lives are lost, leaving families heartbroken. This type of devastation is difficult to witness. We want to help. As Lions, we can.

The LCIF Disaster Relief Fund is vital because it is deployed when an unexpected, catastrophic event happens. As Lions, we need support quickly so we can begin offering relief and supplies like food, water, clothing, and shelter. After Lions respond to immediate needs from a disaster, we help rebuild and help communities recover. The LCIF Disaster Relief Fund helps to rebuild schools, community centers, homes, and more.

The Empowering Service Fund encompasses Lions' other cause areas: vision, youth, humanitarian aid, diabetes, childhood cancer, hunger, and the environment. Lions may apply for a LCIF grant to support a service project in any of these areas. LCIF grants expand Lions' impact so more people can be reached, more mouths fed, more children made safe. Service projects make it possible for communities to have clean drinking water. They build care centers and buy vital equipment for struggling health care centers. They teach children emotional skills needed to succeed in school and in life. The possibilities are endless.

Throughout this newsletter, and each of my newsletters to come, you will find stories showing how Lions use LCIF grants and the impact your gift can have on people around the world. Your donation matters.

In friendship,

Gudrun Yngvadottir
Chairperson, Lions Clubs International Foundation

TEXAS LIONS | WE SERVE

News Release

FOR IMMEDIATE RELEASE

Texas Lions Camp, Inc.

(830) 896-896-8500 | news@lionscamp.com

From the Office of the President & CEO
Stephen S. Mabry, CAE

TLC Board Approves the Launch of CAMPaign Vision2020 & Beyond!

Kerrville, TX - February 13, 2020. During the February 8, 2020 Semi-Annual Board Breakfast, TLC's Board of Directors heard a report from President & CEO, Stephen Mabry concerning TLC's Master Architectural Plan and Feasibility Study for funding those plans. At the conclusion of that report, Stephen asked the Board to adopt and allow the launch of Phase I of the campaign. After hearing further reports and endorsements from the Camp Improvements Committee, Development Committee and Program Committee, the Board enthusiastically voted to proceed and TLC is now officially operating the Capital Campaign known as Vision2020 & Beyond.

Executive Committee Planning Session (Photo courtesy: PCC Stump Weatherford)

The initial phase will be aimed at providing one of the new bunkhouse quads, Lions Leadership Lodge, activity areas and infrastructure needed to support future operations of camp for kids. As the campaign gets underway, TLC will begin the planning and campaign design processes to

ensure fundraising success over the anticipated, campaign life-span of 24-36 months which is the amount of time projected to complete the funding of Phase I.

"I am thrilled to have the Board's approval to move forward with the fundraising and ultimately the construction of new housing to meet the future needs of our campus. These projects are necessary for the health and safety of our kiddos and to take proactive measures to ensure TLC remains a relevant and vibrant service available for future generations of children," said Stephen.

It is always the right time to do something to help others, but according to at least one website focused on the Non-profit sector (*The Non-ProfitPro*), [now is particularly a good time to open a capital campaign](#). Moreover, TLC has been working towards this moment since 2017 and is primed and ready to get started working on our future. Our feasibility study indicates that we CAN succeed at this and, we MUST! Future generations of children are counting on us.

Why This...Why Now?

Our founders likely had no idea what they had set in motion with their vision for TLC or even IF it would work. Despite the uncertainty of success, Lions dared to dream. As a result, here we are 70 years later having served almost 80,000 children and the model and mission has been pressure-tested and proven successful.

But, as one might expect with the time-frame of TLC, time and elements have taken their toll on the housing offered at TLC, some of which is 60+ years old. Moreover, advances in construction materials, installations, and utilities have advanced and will permit greater accessibility, safety and technologies for kiddos engaged in TLC programs.

Consider this: according to the Texas Department of State Health Services - Statistics Division, there were **332,836** children born with a special medical condition in the State of Texas between **1999-2016**. This figure does not include children born with type-1 or 2 diabetes or those who will experience a trauma, accident or illness during their childhood that will result in a life-altering disability. What we can learn from this data, is that if things stay the same or even get slightly better, **very conservatively speaking**, there will be at least **a quarter of a million children** born every **15 years** who will need the services offered at Texas Lions Camp. This time-factor is also consistent with the TLC target age-range for participants.

Bunkhouses

Our plan for the future includes replacing our existing camper bunkhouses with new, accessible facilities. The below depicted schematic is an architectural depiction of the northern-most, planned quadra-plex. A cozy atmosphere, central, shaded gathering area and plenty of space are just some of the features of the bunkhouses that will take us into the next generation of TLC's service to children.

Lions Leadership Lodge - The Triple-L

The *Lions Leadership Lodge* is a key component of the Master Plan. Not only will TLC need to demolish and remove its only two staff dormitories (now fully depreciated and in need of repair) to make way for the North Quadra-plex, but we will also remove a duplex known as the "Smith Building" (fully depreciated and in need of repair) as well. Smith Building provides housing to one professional staff member (year-round) and our Summer Food Services Director during the summer. I don't think that I need to go into an in-depth discussion of how important adult supervision is to the successful operation of TLC's mission to provide quality, safe programming and care for children who have special medical conditions, but "*The Triple-L*" will do just that and much more.

"*The Triple-L*" will begin each year by providing much needed housing for the nursing/medical staff, leadership staff and support staff needed to provide structure, supervision and care over the children engaged in our regular summer program, spanning 6 sessions and ~750 children who have special medical conditions. Later in the summer, the 75 room facility will switch gears when we open our diabetes program and become the headquarters for the 70+ medical staff members needed to provide care and medical support to manage 440 children who have type-1 diabetes.

But that's not all, "*The Triple-L*" will also become head-quarters and home to the leadership staff arriving to implement partner-programs that are already running, such as Camp Discovery (for children with cancer), Camp Neuron (Texas Epilepsy Foundation's camp for children who have epilepsy), and Camp David (Texas Burn Survivors' camp for children suffering a traumatic burn) just to name a few who provide services to another ~350+. If you think by this time it has already had a workout, buckle up because we are NOT done yet. This facility will make it possible for TLC to further expand its outreach to NEW partner, mission-based, non-profit organizations similar to those listed above in order to serve a wider audience of children with special needs while supporting TLC's own operations - a win-win-win in most everyone's economy.

When TLC's Summer Camp operation is not in session, "*The Triple-L*" will also provide new and exciting additional housing for volunteers engaged in TLC's workdays. As many of you are aware, the TLC workdays have become wildly popular and we now regularly run in excess of 600 people per workday at each of our three Spring workdays held on the 1st Saturday of March, April and May. As a result of this observation, I have recently adopted the following saying, which I invite you to likewise adopt:

"Before a single child steps foot, wheelchair, crutch or prosthetic on TLC's soil, almost 2,000 of the 34,500 Lions funding TLC arrived early just to make sure that the gate is open and the facility is ready for them to enjoy!"

I'm still not done. Some of you may be unaware that TLC has expanded its outreach through a three-prong mission that includes our 1) summer programs, 2) diabetes education and 3) disaster relief, all three of which might result in what is classed as "service-revenue". Over the course of my career, TLC has participated in relief operations involving ice, wild-fires, floods, hurricanes, and sheltering of minors, senior-citizens and 1st responders who were themselves engaged in disaster relief. I would also venture a guess that if you are unaware of this fact, you would definitely be surprised to learn that TLC has provided safe-haven shelter to more than 2,000 individuals in the last 30 years. Such operations have allowed us to expand our service-base while raising both operating support and community awareness.

While I recognize the cost of building is significant, the benefits of the new bunkhouses and "*The Triple-L*" facility are invaluable. TLC will garner much needed resources to offer while providing service-revenue that will discount the cost of construction over the building's useful, service-life. A win for Texas Lions Camp, the adults and volunteers who pour into the lives of TLC campers and most importantly - the children "*We Serve*."

26th Annual Harry Wickersham Golf Tournament raises more than \$265,000

James Avery Artisan Jewelry presents \$100,000 challenge grant check

Kerrville, Texas – Lions of Texas and friends of Texas Lions Camp celebrated raising more than \$265,000 from the 26th Annual Harry Wickersham Golf Tournament. John McCullough, CEO of James Avery Artisan Jewelry®, participated in the announcement and presented the \$100,000 challenge grant check during the closing Friday Awards Night ceremonies at Texas Lions Camp (TLC) in Kerrville.

“The Harry Wickersham Golf Tournament began more than 25 years ago and is a vital part of our annual fundraising program to raise funds to help children with disabilities, vision-hearing impairment, Down syndrome, cancer and Type 1 diabetes attend Texas Lions Camp at no cost to their family,” said TLC President & CEO Stephen Mabry. “TLC is deeply grateful that James Avery Artisan Jewelry agreed to offer a Challenge Grant of \$100,000 which provided an incentive for family, friends and other businesses and corporations to step up and offer pivotal donations of more than \$165,000.”

John McCullough, CEO of *James Avery Artisan Jewelry*® noted, “James Avery was pleased to continue our partnership with Texas Lions Camp by offering the challenge grant in recognition of their 70 years of service and commitment to helping children with special medical conditions throughout Texas.”

According to Mabry, “Reaching this historic milestone of \$265,000 through the Wickersham Golf Tournament was only made possible as a result of the dedicated efforts of Texas Lions and our many friends who made personal commitments while garnering more than 550 donations to the effort. These funds have already been put to work helping Texas children as Texas Lions Camp hosted 1,512 children during the Summer of 2019 at no charge to them or their families.”

About James Avery Artisan Jewelry®– James Avery is a vertically integrated, family-owned company located in the heart of the Texas Hill Country and offers finely crafted jewelry designs for men and women in sterling silver, 14K and 18K gold, gemstones and leather wallets – designed by their own skilled artisans in Kerrville, Texas. The multi-channel retailer has 92 James Avery stores in five states. James Avery jewelry is also available in more than 220 Dillard’s stores in Texas and in 28 additional states, two airport stores in Austin and Houston and nationwide through JamesAvery.com. James Avery crafts jewelry in four Texas workshops— one each in Comfort, Fredericksburg, Hondo and Kerrville. For more information, visit JamesAvery.com or facebook.com/JamesAvery.

About Texas Lions Camp, Inc. - Texas Lions Camp, Inc. provides, without charge, a camp for children who are physically disabled, have Down syndrome, cancer or Type 1 diabetes from the State of Texas, regardless of race, religion, or national origin.

The organization was chartered as a nonprofit corporation on April 4, 1949 by the Lions Clubs of Texas and is recognized as a non-profit corporation, under 501 (c)(3) of the Internal Revenue Code. The Camp is accredited by the American Camp Association and is licensed by the Texas Department of State Health Services. In addition, the organization is recognized with a Four-Star rating for Accountability and Transparency from Charity Navigator.
