Moving Forward For Texas Resolution Edition

How is it Going?

Well, as we have been sheltering in place for some eight weeks, I can not help but wonder what we have been doing. One thing we can do as Lions is to call and check on each other. We have some Lions that might need a little help and communication. They may need help with food, medicine or maybe just a **“how is it going?”**

Lions may not be able to go to meetings, hold service events, have fund raising events, but we can still make a positive impact in the communities in which we live. Take a few minutes and check on someone from your club and community.

Remember “We Serve” and this is one way we can do that during “social distancing.”

Looking forward to seeing and visiting with all very soon.

Yours in service,

DG Keith
