"Texas Lion's Legacy is We Serve!"

2A1 Lions Serve with heart and "Together"! Our Lions have been working very hard and leaving memorable Lions Legacies all over our large district. During Halloween many children and families were blessed and given a great time at our Lions Club Lighthouse for the Blind Halloween Carnival. And so many Lions from the different clubs in San Angelo came out to help, Together we Serve!

What talent our kids have in our District with all the Peace Posters that were entered. The 2A1 Winning Poster that was sent to State was done by 11 year old Samantha Pirela from (Midland Northside). Thank you for all the Lions who worked hard in working with the schools and art teachers on this wonderful program.

I enjoyed visiting Midland Westside Lions Club and was amazed at all the programs the club participates in. Seeing their wonderful building and grounds was very special. Their club works with the scouts. I also got to speak at the Midland Northside Lions Club and got to see the wonderful water fountain Lion they donated to the special needs park. They invited me to go to Bynum School for the Peace Poster Ceremony and see the dozens of Posters that were entered, they were awesome! While in Midland, I got to stay and volunteer at TLERC. Thank you PDG Russell Livingston for volunteering at TLERC. We do need more Lions to help! (See pictures next page)

****All Clubs Please remember that there will be a total Lions Clubs International dues increase of \$7.00 beginning July 1, 2023. The total dues increase will take place over a three-year period with the initial increase of \$3.00 starting July 1, 2023, then another \$2.00 starting July 1, 2024, and finally another \$2.00 starting July 1, 2025, for a grand total of \$7.00.**

As our Lions International President Brian Sheehan and wife Lori travel in November, they started in Turkey, Greece, Cyprus, Italy, Taiwan, Korea, and now traveling to the Philippines! They are spreading Lions Service all over the world! What are you doing on your block, community, work area, family, and town to bring in new Lions to Together We Serve? What is your Texas Lions Legacy? Wishing you all a wonderful Christmas Holiday!

Sincerely, DG Carole Anne Brown

Sweetwater Club News

The Sweetwater Lions Club along with the Rolling Plains Memorial Hospital, held a Diabetes Screening Fair on Wednesday, 11/16/22 at our building in Sweetwater---we conducted blood pressure checks, glucose testing, checking feet for issues as a result of diabetes and vision screening.....We also had several door prizes for several attendees!!!!

We screened 25 people, referring several for further testing for Diabetes, blood pressure concerns, feet issues as a result of diabetes and also vision concerns.....we also answered numerous questions regarding diabetes and diet and also about the Texas Lions Camp!!!!

Someone asked us previously what we would consider to be a successful event---25 to 50 people attending, and we decided that the number of attendees didn't matter as long as we helped at least ONE PERSON!!!!.....

We have plans to do this again next year and will have a meeting for all those involved within the next several weeks

Our shoe drive has been extended and we are encouraging all Lions to help us reach our goal of 100 bags with 25 pair of shoes per bag. This keeps shoes out of landfills and helps many in third world countries become entrepreneurs to support their families. Please help us help them.

For more information or to schedule a pick-up or drop off, contact Lion Laura Hail at 325-703-1254 or email Concho Pearl Lions at . Shoes can also be dropped off at the San Angelo Eyeglass Recycling Center, 27 W. Concho.

Texas Tuesday Connections

The journey continues with the Texas Tuesday Connections.
 There is no fee and no registration required, just login!
 So, mark your calendars and join us!

The Texas Tuesday Connections has its roots in the North America Membership Initiative. Because of the lockdowns caused by the COVID-19 Pandemic, many Lions' activities were negatively impacted. Meetings, training sessions and other Lions events were cancelled. The MD-2 GAT approached the Texas International Family to discuss the possibility for supporting our members through a new on-line, virtual format. As a result of these discussions and subsequent planning, the Texas Tuesday Connections was launched in April 2021. Since its inception, the Texas Tuesday Connections has grown into a valuable library of resources for our members and has helped to keep our Lions connected and showcased across Texas for their great service.

From day one, the Texas Tuesday Connections has focused on three key points; keeping the Lions of Texas engaged and connected, expanding service through challenging times and restrictions, and helping Lions to grow our membership across Texas. The Texas Tuesday Connections is a virtual classroom providing topics from service opportunities to member satisfaction to Lions Clubs International Foundation. The Texas Tuesday Connections is broadcast live on the first and third Tuesday of each month. There is no fee or registration required and these sessions are open to any Lion!

The Texas Tuesday Connections is always looking for new topics and especially, showcasing grassroots Lions who would like to present a topic or share a success story with their peers. If you are interested, please notify the Texas Tuesday Connections Committee at email address. The Texas Tuesday Connections requests that you please share this information with all the Lions in your club.

DISTRICT 2-A1 SUPPORTED CHARITIES FOR 100% CONTRIBUTIONS

A 100% voluntary contribution to a charity is based on a per member donation from a Club that is made during the Lions year. Most of our charities have no dues or means of support, except through individual fellowship donations or these 100% (or greater) club donations.

A dollar amount is established by the charity, the State Council of Governors, or the district itself. Many Clubs bring these checks and present them at the District Cabinet meetings, during our "Parade of Checks".

Drop Your Gently Worn, Used and New Shoes For

Concho Pearl Lions Club

Do you dream? I do. I dream about shoes lately. While the Concho Pearl Lions has undertaken a shoe drive as a fundraiser, I am having lots of dreams. I also think about the many who can benefit from our shoe drive. Families in third world countries that maybe survive on \$2.00 a day can use these shoes as a business and increase their incomes substantially. They become entrepreneurs, not beggars. I know that collecting unwanted shoes should be so easy. Lions are asking for shoes, not money. Please join us in this challenge. Tell your families, friends, neighbors. Help us help others.

LIONS CLUB INTERNATIONAL

Lions Club is international and helps send kids with a long list of medical conditions to camp at no cost to them or their families. At camp it is the goal to make every kid feel as if they can do anything that any other kid can do. They learn to be independent and work with their specific medical needs. Lions are also very well known for trying to detect vision impairments early. Each club offers vision screenings to their surrounding area schools every year!

President & CEO

Kerrville, Texas. Texas Lions Camp proudly announces that the 2023 Picnic & Events calendar is available for your review and consideration. For decades, Lions Clubs and others have enjoyed rolling up their sleeves, traveling to TLC (Texas Lions Camp) and providing something special directly to TLC's campers and those engaged in TLC's one-of-a-kind program.

Lions Clubs, civic clubs, church groups or other similar groups are cordially invited to review the dates, times and types of events that will be offered during the summer of 2023. To get started, [click here](#), or aim your internet-enabled device's camera at the QR Code below.

Once your club has selected their top three choices of events they would like to provide, a designated leader should register those selections (same webpage) between November 1-30, 2022. Following the November registration period, TLC will use a "randomizer" to select and award the events to those selected by the randomizer and will publish the list after contacting all registrants.

According to Stephen, "One of the greatest ways to introduce new Lions to their camp in Kerrville, promote esprit *de corps* among your club or just provide a new and exciting service project as a club is by participating in TLC's Picnic & Events Offering."

Many Lions report that it was after their experience at TLC that they truly became a Lion. Stephen reported that the 2023 program will be under the direct supervision of Steven King, Senior Vice President of TLC.

Located on 515, beautiful Hill Country acres, TLC's facility can be found in Kerrville, Texas, where Texas children are given the opportunity to participate in activities, such as: horsemanship, challenge course climbing, recreation & athletics, arts & crafts, music, drama, fishing, boating, archery, hiking and camping out under the stars.

If you would like to learn more about Texas Lions Camp, or know of a child/family who might benefit by spending a fun-filled session of achievement with other children who have special medical conditions, please visit us on the web at <http://www.lionscamp.com> or contact your local Lions Club.

Lions KidSight USA is a nation-wide program bringing Lions clubs across the country together to ensure our children receive eye screenings and follow-up care when needed. We train and mobilize caring people to be able to easily and efficiently screen the vision health of our nation's youngest, dearest, and most vulnerable children to help ensure they receive early academic and social development success that we all deserve — guided by the fact that 80% of a child's learning and development requires healthy, corrected vision.

We also maintain a national database of annual vision screening results, assess the continuing technology developments in the field of childhood vision screening & correction, and promote rigorous national standards and continuing visual health research & development when it concerns our nation's youth - our entire future.

Core Values

We believe very strongly from years of experience that early childhood vision screening- and correction of poor vision - is one of the most effective and cost-efficient health care interventions in the entire world.

We provide vision screening to children as young as six months and through grade 12.

We're national – we've created a coordinated national coalition of active and experienced Lions vision screeners.

- We're needed – vision problems undetected by the age of 7 can become permanent.
- We're concerned – How many millions of kids now have worsening eyesight from prolonged "screen time", in 2020?
- We're FREE - Vision Screenings are conducted by Lions Volunteers who have been trained in the proper use of Touchless Screening Devices.

Empowering Community Service Leaders

NOTE: Lions University is offered by the USA/Canada Lions Leadership Forum. Questions or comments about Lions University should not be directed to Lions Clubs International Headquarters, but rather to the [Support](#) page.

As a Lions Club leader, you understand that building strong communities through volunteer service is our objective. The Lions University program is about making sure that you have the skills and resources to meet this objective.

Through three educational program levels, Lions Leaders will enhance their knowledge and skills to better serve their community.

To complete each program, Lions must complete 10 required courses, at least 5 elective classes, and complete specific leadership experiences. To complete a course, the Lion takes part in an hour long training session. These sessions are offered online on this website, through periodic webinars that are posted on this website, and through live sessions led in Districts and Multiple Districts.

Once the training session is completed, the Lion takes a simple online test to confirm their learning. Upon completion, the Lion is awarded a certificate of course completion. Lions are welcome to complete the courses that interest them in any of the programs, and in any order they wish. Credit is given toward the program that the class is under.

- **Bachelor's Program:** This program allows Lions to develop the skills necessary to lead a vital Lions Club. Courses are directed to the skills needed to be a great club leader.
-
- **Master's Program:** This program focuses on giving support to clubs through district leaders. This program is aimed at District Level leaders: District Governors, Vice District Governors, Zone Chairs, District Committee Chairs, Certified Guiding Lions, and other leaders that are ready to foster quality clubs in their District.
-
- **Doctorate Program:** This program focuses on skills needed to be a training facilitator for adult volunteers. In effect, Lions who have completed the Doctorate Program are prepared to be great trainers of other Lions
