"Texas Lion's Legacy is We Serve!"

Greetings Lions, hope everyone had a blessed February. Normally the first week of February is very, very cold and icy, for some crazy reason whoever schedules the Texas Governor's meeting every year for the last several years keeps choosing this time to travel to Kerrville. It was a scary trip! We worked on the Texas State convention, which is May 18th-20th in Ft. Worth, Texas as we are the host Governors!

I would like to give a special thanks to Lion Donald McConnell for all the time he takes putting together this 2A1 Newsletter. It always looks very professional and is very informative. Thank you very much!

There is going to be a new Lions Portal on Lions International. The date is 6/15/23, the conversion date is 7/15-7/24. International wants all 2023-2024 Club officers entered BEFORE 06/15/23! Also Make sure data is accurate and make sure every member has an email listed, no shared emails can be used in the new Lions Portal. Make sure member birthdays are entered since birth dates in MyLCI will be converted! Update ALL your members information, including, phone, address, and email. Training is slated to begin in late April for the New Lions Portal!

March 31st-April 1st is our District Convention, here in San Angelo at Pearl on the Concho's. Our Main Guest Speaker will be Past International Director Sam Lindsey. With that said we need all of the clubs to notify District Secretary Helen Wilde the names of each club's delegates as soon as possible! Each club has a certain number of delegates that can vote at the District Convention, your Club Votes Counts!

DG Message Continued

We are down 24 members for the year at the time of this writing. We lost Norton, after speaking with their last President, who advised they had not met for over a year, and had advised international last year they were no longer meeting, international did not take them off! When Lions are in nursing homes and are no longer able health wise to get together, this does happen, and leaders need to be advised. We will as Lions attempt to replace and start new clubs; we continue to serve; we will miss you Norton Lions!

What is your Legacy as a Lion? What is your Legacy as an American?
What is you Legacy as a Human? Hope to see you soon

Midland Northside Lions Club

Midland Northside and Midland West Side Lions Clubs are sponsoring three students on the Lions International Youth Exchange program this summer. Northside is sponsoring Ezekiel Bajomo, a junior at Trinity School while West Side is sponsoring Adam Bourland, a junior at Texas Leadership Charter Academy and a member of the scout troop affiliated with the club. The two clubs are jointly sponsoring Landen Dickens, a junior at Trinity School. Ezekiel has been accepted to go to Belgium, Adam has been accepted to go to Germany, and Landen has been accepted to go to Italy.

We are planning to host three 17 or 18 year old non-smoker girls in Midland from July 1 to 22. The host families will be Violet and Lion Mark Singh, Kim and Lion Frank Stowers, and Rod and Kris Curtis. They all live in Midland. Mark and Frank are members of the Midland Northside Lions Club. So far, we have accepted one student from Italy, and are expecting one from Germany and the third from another country, probably in Europe. The program of activities will include trips to Carlsbad Caverns, San Angelo, Abilene and Lubbock and visits to Texas Lions Camp, West Texas Lions Eye Bank and Texas Lions Eyeglass Recycling Center.

Drop Your Gently Worn, Used and New Shoes For

Concho Pearl Lions Club

Do you dream? I do. I dream about shoes lately. While the Concho Pearl Lions has undertaken a shoe drive as a fundraiser, I am having lots of dreams. I also think about the many who can benefit from our shoe drive. Families in third world countries that maybe survive on \$2.00 a day can use these shoes as a business and increase their incomes substantially. They become entrepreneurs, not beggars. I know that collecting unwanted shoes should be so easy. Lions are asking for shoes, not money. Please join us in this challenge. Tell your families, friends, neighbors. Help us help others.

Contact Lion Laura Hail at 325-703-1254 to arrange pick up or email Concho Pearl Lions at ConchoPearlLC@gmail.com.

DISTRICT 2-A1 SUPPORTED CHARITIES FOR 100% CONTRIBUTIONS

A 100% voluntary contribution to a charity is based on a per member donation from a Club that is made during the Lions year. Most of our charities have no dues or means of support, except through individual fellowship donations or these 100% (or greater) club donations.

A dollar amount is established by the charity, the State Council of Governors, or the district itself. Many Clubs bring these checks and present them at the District Cabinet meetings, during our "Parade of Checks".

James Avery Artisan Jewelry offers \$50,000 Challenge in support of Children with Special Medical Conditions

Named Title Sponsor for 30th Annual Harry Wickersham Golf Tournament

*Kerrville, Texas - James Avery Artisan Jewelry has issued a \$50,000 challenge-matching grant to Texas Lions Camp in support of children with special medical conditions attending Summer Camp 2023. Every gift designated for the 30th Annual Harry Wickersham Golf Tournament will be matched dollar for dollar up to \$50,000. With this challenge, the company has also been named the **Title Sponsor** for the 2023 Golf tournament.*

"Texas Lions Camp (TLC) is thrilled that James Avery Artisan Jewelry has agreed to participate with our organization again in 2022-2023 and invest in our mission by offering this exciting challenge opportunity," said President & CEO of TLC, Stephen S. Mabry.

James Avery's Chief Executive Officer John McCullough stated, "Just as we forge silver and gold to craft jewelry, we are forging hope through our support of nonprofit organizations in the communities where we live and work. We support the beauty of the world around us - including bringing a sense of diversity, inclusion and belonging to the people around us. We are proud to support the beauty of Texas Lions Camp and the opportunities they offer to wonderful children and their families for a unique summer camp experience."

Mabry added, "the TLC Board and I fully intend to see a return to traditional youth camps in 2023 and will offer week-long, residential youth camps for children who have physical disabilities during the month of June, type-1 diabetes for two weeks of the first half of July and our new family camp program for the remaining two weeks of July. For nearly 75 years, the Lions of Texas and TLC have introduced over 83,000 children to the 'CAN DO' philosophy and encouraged them to reach for new horizons and celebrate exciting, first-time experiences. The support of family, friends, and neighbors allows us to help some of the most amazing children share in the best summers of their lives."

About the Harry Wickersham Golf Tournament – For 30 years, Texas Lions Camp has sponsored an annual Golf tournament to help support camp operations. The history of this Golf Tournament began with four Texas Lions (Lions Mike Butler, Marshall Cooper, Bruce Rickert and Harry Wickersham) coming to the Annual Board meeting of Texas Lions Camp (TLC) in Kerrville to enjoy fellowship with each other. They all loved to play golf and so what began on a \$10 per person gentlemen's donation at the Flying L Ranch Golf Course in Bandera, Texas, has grown into a major Fundraising event which generates more than \$100,000 annually for children with special medical conditions. Other Lions heard about the golf outing and dozens joined in to play in subsequent years including Lion Ed Stebbins who was recruited to help organize the event into an annual fund-raising opportunity. He made the original presentation to the TLC Board of Directors to make the Golf Tournament an annual fund-raising event as well as recommended that the event be named in honor of Lion Harry Wickersham (who was the real golfer in the original foursome). In addition, he recruited Lion Lester Frantzen as the Tournament Director and the Fredericksburg Lions Club to help organize and operate the tournament each year.

Lions KidSight USA is a nation-wide program bringing Lions clubs across the country together to ensure our children receive eye screenings and follow-up care when needed. We train and mobilize caring people to be able to easily and efficiently screen the vision health of our nation's youngest, dearest, and most vulnerable children to help ensure they receive early academic and social development success that we all deserve — guided by the fact that 80% of a child's learning and development requires healthy, corrected vision.

We also maintain a national database of annual vision screening results, assess the continuing technology developments in the field of childhood vision screening & correction, and promote rigorous national standards and continuing visual health research & development when it concerns our nation's youth - our entire future.

Core Values

We believe very strongly from years of experience that early childhood vision screening- and correction of poor vision - is one of the most effective and cost-efficient health care interventions in the entire world.

We provide vision screening to children as young as six months and through grade 12.

We're national – we've created a coordinated national coalition of active and experienced Lions vision screeners.

- We're needed – vision problems undetected by the age of 7 can become permanent.
- We're concerned – How many millions of kids now have worsening eyesight from prolonged "screen time", in 2020?
- We're FREE - Vision Screenings are conducted by Lions Volunteers who have been trained in the proper use of Touchless Screening Devices.
