"Texas Lion's Legacy is We Serve!"

We Serve

Greetings 2A1 Lions! I would like to thank the Lions that attended the 2A1 Lions Convention and Social at the Pearl on the Concho. A special thanks goes out to the Shady Grove Band, and members Lion Gary Warden, Lion Joe Weaver, and Lion Pat Dula, who did a wonderful job entertaining us during our Lions Social on Friday night! We had a wonderful turnout from Lions and I was thanked numerous times for having it during our Rodeo week, as numerous Lions also made a fun family weekend trip!

PID Sam Lindsey was a wonderful speaker and presented Concho Pearl Lion Helen Wilde a wonderful International Presidential Award-Pin for her many years of being her clubs, President. She held numerous offices in her club and helps coordinate and manage San Angelo's 8 Lions Clubs for San Angelo Lion's Pancake breakfasts. She also helps with numerous fundraisers and club activities in her club. Lion Helen is also our District Secretary, and is now our Districts Second Vice District Governor. Congratulations Lion Helen, well deserved!

PID Sam Lindsey also presented Lion Mark Singh from Midland Northside Lions Club an International Presidential Award-Pin for his many years as our successful District Director of Youth Camp and Exchange Chairperson. He has been active in his club since 1993. He has brought many, many youth from overseas to Midland through our Lions exchange programs and has managed many youth to travel and go overseas for 2A1 Lions exchange programs very successfully. He also helped in organizing a wonderful Lion's water fountain for the Midland Park for disabled youth. He also helps the Midland's Lions Youth Peace Poster Contest, which has many youths participating yearly in the contest! Congratulations Lion Mark, well deserved!

Club News Continued

We have been busy the past few months doing different fundraisers. We just closed out our Gently Used Shoe drive with 65 bags of shoes (25 pair per bag) and got them shipped off to go to Third World Countries. Bagged, tagged, shipped!

We just finished up selling our Rosa's Cards and then on to working the Stock Show in February, the Rodeo in April and everyone, including our new members, put in their Volunteer Hours manning the booths. We sold popcorn, cotton candy, pickles, water and Tootsie Pops. Also had an awesome raffle going with 7 prizes, but 1st prize was \$1000.00.

We are going to man the booth once more at Old Fort Concho during the pancake breakfast and sell some more popcorn, cotton candy and raffle tickets we hope, then on to Cinco De Mayo on May 6, along with Southside Lions Club of San Angelo..

There were 6 from Concho Pearls in attendance at the Convention on April 1.

New officers are elected and ready to be put in LCI.

We are ready to roll and ready for another great year.

Join us on the 2nd & 4th Mondays of the month at 6:30pm @ San Angelo Lions Charities Eyeglass Recycle Center meeting room.

Junction Lions

The Junction Lions Club has been hosting a community-wide Easter Egg Hunt for over 60 years. One golden egg per age group is hidden, and the four lucky finders receive a custom-made Easter basket full of goodies! In recent years, the Club has also held a non-perishable pantry item drive for the local food bank in conjunction with the egg hunt.

Pictured with Patricia Cottontail (Lion Georgia Morgan) are the finders of the golden egg in each of their respective age groups.

Pictured left to right are Boss Lion JD Davila, Lion Linda Moss, honorary Lion for the day Rachel Zhorne, Lion Hilary Jackson, Lion Mark Arrazola, and Lion Georgia Morgan (disguised in the bunny suit). The Club wishes to recognize and thank Lion Georgia for bringing many smiles to the community as Patricia Cottontail for 30 years!

Youth Exchange Program

Youth Exchange Update

May 8, 2023

Midland Northside and Midland West Side Lions Clubs are sponsoring three students on the Lions International Youth Exchange program this summer. Northside is sponsoring Ezekiel Bajomo, a junior at Trinity School while West Side is sponsoring Adam Bourland, a junior at Texas Leadership Charter Academy and a member of the scout troop affiliated with the club. The two clubs are jointly sponsoring Landen Dickens, a junior at Trinity School. Ezekiel has been accepted to go to Belgium and his flights and insurance have been organized. His host families have also been selected. Landen has been accepted to go to Italy, and his flights and insurance have been arranged. Adam has been accepted to Germany but we are still waiting on instructions before we can book his flights.

We are planning to host three 16 to 19 year old non-smoker girls in Midland from July 1 to 22. The host families will be Violet and Lion Mark Singh, Kim and Lion Frank Stowers, and Kris and Rod Curtis. They all live in Midland. Mark and Frank are members of the Midland Northside Lions Club. So far, we have accepted one student from Italy and one from France. We are still hoping for one more, but we will do the full program even if we have only two. The program of activities will include trips to Carlsbad Caverns, San Angelo, Abilene and Lubbock and visits to Texas Lions Camp, West Texas Lions Eye Bank and Texas Lions Eyeglass Recycling Center.

Midland Lions Clubs

All Lions in Midland were recognized April 25th at City Hall with a proclamation for their 95 years of service. We don't do it for the thanks, but we thank you for the recognition. Whether providing free eye exams and eyeglasses to those in need or Midland College scholarships or sponsoring sending young Midlanders abroad, the Lions in Midland have answered the call because the one thing we do well is answer the call to serve.

Concho Pearl Lions Club

Do you dream? I do. I dream about shoes lately. While the Concho Pearl Lions has undertaken a shoe drive as a fundraiser, I am having lots of dreams. I also think about the many who can benefit from our shoe drive. Families in third world countries that maybe survive on \$2.00 a day can use these shoes as a business and increase their incomes substantially. They become entrepreneurs, not beggars. I know that collecting unwanted shoes should be so easy. Lions are asking for shoes, not money. Please join us in this challenge. Tell your families, friends, neighbors. Help us help others.

James Avery Artisan Jewelry offers \$50,000 Challenge in support of Children with Special Medical Conditions

Named Title Sponsor for 30th Annual Harry Wickersham Golf Tournament

Kerrville, Texas - James Avery Artisan Jewelry has issued a \$50,000 challenge-matching grant to Texas Lions Camp in support of children with special medical conditions attending Summer Camp 2023. Every gift designated for the 30th Annual Harry Wickersham Golf Tournament will be matched dollar for dollar up to \$50,000. With this challenge, the company has also been named the **Title Sponsor** for the 2023 Golf tournament.

"Texas Lions Camp (TLC) is thrilled that James Avery Artisan Jewelry has agreed to participate with our organization again in 2022-2023 and invest in our mission by offering this exciting challenge opportunity," said President & CEO of TLC, Stephen S. Mabry.

James Avery's Chief Executive Officer John McCullough stated, "Just as we forge silver and gold to craft jewelry, we are forging hope through our support of nonprofit organizations in the communities where we live and work. We support the beauty of the world around us - including bringing a sense of diversity, inclusion and belonging to the people around us. We are proud to support the beauty of Texas Lions Camp and the opportunities they offer to wonderful children and their families for a unique summer camp experience."

Mabry added, "the TLC Board and I fully intend to see a return to traditional youth camps in 2023 and will offer week-long, residential youth camps for children who have physical disabilities during the month of June, type-1 diabetes for two weeks of the first half of July and our new family camp program for the remaining two weeks of July. For nearly 75 years, the Lions of Texas and TLC have introduced over 83,000 children to the 'CAN DO' philosophy and encouraged them to reach for new horizons and celebrate exciting, first-time experiences. The support of family, friends, and neighbors allows us to help some of the most amazing children share in the best summers of their lives."

About the Harry Wickersham Golf Tournament – For 30 years, Texas Lions Camp has sponsored an annual Golf tournament to help support camp operations. The history of this Golf Tournament began with four Texas Lions (Lions Mike Butler, Marshall Cooper, Bruce Rickert and Harry Wickersham) coming to the Annual Board meeting of Texas Lions Camp (TLC) in Kerrville to enjoy fellowship with each other. They all loved to play golf and so what began on a \$10 per person gentlemen's donation at the Flying L Ranch Golf Course in Bandera, Texas, has grown into a major Fundraising event which generates more than \$100,000 annually for children with special medical conditions. Other Lions heard about the golf outing and dozens joined in to play in subsequent years including Lion Ed Stebbins who was recruited to help organize the event into an annual fund-raising opportunity. He made the original presentation to the TLC Board of Directors to make the Golf Tournament an annual fund-raising event as well as recommended that the event be named in honor of Lion Harry Wickersham (who was the real golfer in the original foursome). In addition, he recruited Lion Lester Frantzen as the Tournament Director and the Fredericksburg Lions Club to help organize and operate the tournament each year.

<https://www.lionskidsightusa.org/>

Lions KidSight USA is a nation-wide program bringing Lions clubs across the country together to ensure our children receive eye screenings and follow-up care when needed. We train and mobilize caring people to be able to easily and efficiently screen the vision health of our nation's youngest, dearest, and most vulnerable children to help ensure they receive early academic and social development success that we all deserve — guided by the fact that 80% of a child's learning and development requires healthy, corrected vision.

We also maintain a national database of annual vision screening results, assess the continuing technology developments in the field of childhood vision screening & correction, and promote rigorous national standards and continuing visual health research & development when it concerns our nation's youth - our entire future.

Core Values

We believe very strongly from years of experience that early childhood vision screening- and correction of poor vision - is one of the most effective and cost-efficient health care interventions in the entire world.

We provide vision screening to children as young as six months and through grade 12.

We're national – we've created a coordinated national coalition of active and experienced Lions vision screeners.

- We're needed – vision problems undetected by the age of 7 can become permanent.
- We're concerned – How many millions of kids now have worsening eyesight from prolonged "screen time", in 2020?
- We're FREE - Vision Screenings are conducted by Lions Volunteers who have been trained in the proper use of Touchless Screening Devices.
