## "Texas Lion's Legacy is We Serve!"

I would like to extend congratulations to 2-A1 District for Lion Dr. Norman Gould from Midland who was inducted into the 2023 Texas Lions Hall of Fame at the Lions State Convention in Ft. Worth on May 19th. As a Midland Downtown Lion for 65 years, he has been a true "Knight of the Blind". Dr. Gould has been awarded numerous awards over the years and TLERC has named their Bronze Fellowship after him. As a Lion, he performed hundreds of children's eye exams when it was just a Lions Club project, later TLERC. He taught many Lions how to read and sort glasses, including me! He is considered one of the two grandfathers of Midland TLERC! He is the Lion who authored the curriculum for LCIF's Sight First recycling centers because of his educational programs and training that he taught, and it is used all over the world! He personally trained hundreds of Lions, foreign missionaries, church groups and medical teams from all over the world. Millions of people all over the world have vision because of his valuable work.

Dr. Norman Gould's daughter and two sons and two of his grown grandsons came to see him accept his award. One son came all the way from New York! As your District Governor, I was asked by the family to sit with them during the luncheon, I was very honored! Lion Dr. Norman Gould has a wonderful Lion's Legacy! Congratulations, Sir!

Don't forget to attend the 2-A1 Lions University in San Angelo on Saturday, June 10th in San Angelo! This one is very important, as numerous ways of entering information will be changing in the Lions Clubs International website!

My slogan for my DG year is "Texas Lions Legacy is We Serve", and our Lions are serving many people in our 2-A1 District. Thank you, LIONS! Your Lions Legacy is amazing!

## Youth Exchange Update

May 8, 2023

Midland Northside and Midland West Side Lions Clubs are sponsoring three students on the Lions International Youth Exchange program this summer. Northside is sponsoring Ezekiel Bajomo, a junior at Trinity School while West Side is sponsoring Adam Bourland, a junior at Texas Leadership Charter Academy and a member of the scout troop affiliated with the club. The two clubs are jointly sponsoring Landen Dickens, a junior at Trinity School. Ezekiel has been accepted to go to Belgium and his flights and insurance have been organized. His host families have also been selected. Landen has been accepted to go to Italy, and his flights and insurance have been arranged. Adam has been accepted to Germany but we are still waiting on instructions before we can book his flights.

We are planning to host three 16 to 19 year old non-smoker girls in Midland from July 1 to 22. The host families will be Violet and Lion Mark Singh, Kim and Lion Frank Stowers, and Kris and Rod Curtis. They all live in Midland. Mark and Frank are members of the Midland Northside Lions Club. So far, we have accepted one student from Italy and one from France. We are still hoping for one more, but we will do the full program even if we have only two. The program of activities will include trips to Carlsbad Caverns, San Angelo, Abilene and Lubbock and visits to Texas Lions Camp, West Texas Lions Eye Bank and Texas Lions Eyeglass Recycling Center.

### District 2-A1 Convention

15. LCIF & Global Membership – PDG Dave – Clubs should check the LCIF report which shows the money they have accumulated which can be used to purchase a Melvin Jones Fellow. He also presented awards to Lions who have given their time and effort outside of meetings. Awards went to: PDG Armando, IPDG Joel, Lion Nancy, Lion Helen, Lion Donald, Lion Lorean Sindelar, and Lion Donna.

Tailtwisters Lion Donald and Kathy McConnell drew for raffle prizes.

Chaplain PDG Frank led the Invocation for lunch.

DG Carole presented PID Sam Lindsey with a gift of goodies produced in the San Angelo area.

The DG said she had enjoyed the last few years. When you accept to run for Vice District Governors and Governor, they don't tell you that you need 2 bookcases for all the information. They don't tell you that you're going to have to buy a new wardrobe and that you will be told what to wear when. They don't tell you about all the neat people from around the United States and the World that you will meet. And they don't tell you that you will be going to Montreal Canada and come home with Covid. Lions do things in our communities and get thanked. We don't do it for the thanks but because "We Serve".

PID Sam Lindsey was elected to a 2-year term as International Director in 2016. He has also served as DG for District 2-X3, President of the Texas Lions Camp, and the Area F Chair for LCIF Campaign 100. During his 50 years as a Lion, he has received nine International Presidents Awards, an International Leadership Award, four extension awards, the Grand Master Key award, and is a Progressive Melvin Jones Fellow. PID Sam has received the Ambassador of Goodwill Award, the highest recognition conferred by Lions Clubs International and has been inducted into the Lions of Texas Hall of Fame.

PID Sam said in 2013 Lions began to vaccinate children against measles. This initiative was started by PIP Barry Palmer in Hamburg Germany. At that time there were about 465 children dieing each day due to complications from measles. Bill and Melinda Gates then set up a matching grant to also help eradicate the disease. When Ebb Grindstaff was International President, there were approximately 45,000 Lions in Texas. We're less than half that number today. We need to build our membership. Remember the more we serve, the more members we will attract. Our opportunities to serve are endless.
