Greeting 2-A1 Lions,

It looks as though Summer has arrived. First, I would like to congratulate the GLT team (Lion Felis and Lion Carole) for organizing the Lions University training held in San Angelo on June 8th. We had 41 Lions participating in the officer and Zone Chair training. Thank you to the trainers for taking the time and sharing your skills and knowledge. Also “thank you” to the Club officers for attending. This really shows that you care about your club and I hope that you were able to bring back knowledge and ideas that will benefit your club. Sorry that I was unable to be a part of this event, but at the time we were chasing down the stork that was to deliver our first grandson. Finally, it happened! (Levi Saunders 6 lbs 6 oz).

As my term as your District Governor draws to a close, I am filled with gratitude and pride for the journey we have embarked upon together. Serving as your leader has been a privilege and an honor beyond words.

Throughout this year, we have seen our Lions clubs come together with resilience, compassion, and an unwavering commitment to serve our communities.

I want to take this opportunity to express my deepest appreciation to each and every Lion in our district. Your dedication, passion, and selflessness have made a profound difference in the lives of countless individuals. Together, we have brought hope where there was despair, comfort where there was suffering, and joy where there was sorrow.

But our work is far from over. As we look to the future, let us continue to uphold the values of Lionism – service, fellowship, diversity, and integrity. Let us continue to strive for excellence in everything we do, knowing that our efforts, no matter how small, have the power to create positive change in the world. The theme for 2023-2024 from International President Dr. Patti Hill says, “Lions are Changing the World”.

As I pass the torch to the incoming District Governor Marianne Stevenson, I have every confidence that our Lions will continue to shine brightly, illuminating the path of service for generations to come. Together, we will continue to make a difference, one life and one community at a time.

Thank you, Lions, for your dedication, your passion, and your unwavering commitment to service. It has been the greatest privilege of my life to serve as your District Governor. Something that I will always remember.

Yours in Lionism,
Lion Chris Maxwell

MD-2 Council Chair Terrell M. Thompson

Council Chair Terrell M. Thompson
and Lion Tina Thompson

Lion Terrell was elected by District 2-T2 to serve as Council Chair in April of 2021, and progressed up the chain of service until his installation in July of 2024. Lion Terrell joined the Lubbock Lions Club in 1990, but has been an active Lion literally his entire life. Lion Terrell is a second-generation Lion and a second generation PDG. His father, George M. Thompson of Sweetwater was Governor of District 2-A1 in 1965- 1966 and Terrell was born at his father's District Convention in San Angelo. Lionism was and is a part of CC Terrell 's everyday life.

Lion Terrell served as president of the Lubbock Lions Club in 2003-2004, when the club was the Largest Lions Club in North America. Lion Terrell was Governor of District 2-T2 in 2007-2008. Lion Terrell has previously served as the Legal Advisor to the Council of Governors, and his fingerprints are all over current versions of the MD-2 Constitution and By Laws, as well as the MD-2 Policy Manual. Lion Terrell has been a long-standing member of his District's Global Leadership

Team and takes great pride in identifying and training future Lions leaders.

Lion Terrell is a Progressive Melvin Jones Fellow and a Progressive Texas Lions Foundation Fellow.

Lion Terrell has received numerous awards over his 34 years of membership including 7 International President's Certificates of Appreciation, and the International President's Leadership Award.

Lion Terrell and his wife of 36 years, Lion Tina, are the proud parents of three children, and are Lolli and Pop to 4 grandchildren. They make their home in Lubbock where Terrell is a practicing attorney and Tina is an elementary pre-kindergarten teacher.

TLC Chairman's Chatter

Looking Forward or Looking Back ?

Just like one side of the Lion's logo, we've been **looking back** all year at the great legacy the Lions of Texas left us in the 1st **75 years** of the Texas Lions Camp. In early April we completed the last of our celebrations with our **"Stay & Play"** event over the eclipse weekend. Those Lions, who took the opportunity to actually stay on campus, finally got to see first-hand how awesome it is for our campers to spend a week here. All the meals were great (thank you Council Chair Ryan & Santa John from Amarillo, and chief bottle washers, Lions John Eads and Joe Kyle), the catfish were huge (15-20 pounders all day long -not a fish tale), and the eclipse was fantastic, even though a bit obscured by the clouds. Best of all we were treated to some great music by 5 awesome bands at our music festival across the highway from camp. But our headliner Eric Paslay, a grammy nominated singer & songwriter from Nashville, blew us away with his performance & deserves a little more press:

In the summer of 1998 at the age of 15, Eric was asked what he was going to do for a talent night in which he was supposed to participate. It is said that he replied that he had no talent. So Cody Schrank, his Counselor, sat him down around a campfire at Inspiration Point and together they wrote his very first song....."and now you know the rest of the story", because Eric Paslay was a type 1 diabetic camper at the Texas Lions Camp. He learned a few chords on the guitar and 2 nights later performed (reluctantly) before his first live audience - his fellow campers and the staff of TLC.

Eric Paslay brought his whole band and his family to TLC to "pay forward" what the Lions of Texas gave to him. Thank you Senior Vice-President Steven King for putting this great festival together.

One last thought about looking back: It is now that time of year when Lions Clubs are planning their year-end banquets where new officers will be installed, and Lions will be recognized for outstanding service. What better way to honor some great Lion than to support the Lions Camp in their name? Jack Weich Fellowships, Endowment bricks, and life memberships are some ways to do that, and they can be paid for from your activity accounts.... **but you need to get them ordered ASAP if you want to have them in time for June and July banquets.** In a quandary, because your whole club is awesome and needs to be honored (?). Think about being a "Century Club" club. Don't know how to do that, give me a call and I'll show you how some of your fellow Texas Lions Clubs do it (325-315-7060).

But we've been talking about things that are over and done with, and while it is important to celebrate the past WE, the current Lions of Texas, have to start creating a new legacy, because while those 1st 75 years are over, they are **NOT the end** of anything.
April 4, 2024 was the birthday of our 2nd 75 years!

We are now in May and camper sign up is still in progress. Let's all be that "Lion on our logo looking forward" and fill up our camp this year. **Let's each sign up a camper & make some dreams come true!**

Go be a Dream Catcher!

History of the Harry Wickersham Golf Tournament

The history of this Golf Tournament began with four Texas Lions (Lions Mike Butler, Marshall Cooper, Bruce Rickert and Harry Wickersham) coming to the Annual Board meeting of Texas Lions Camp (TLC) in Kerrville to enjoy fellowship with each other. They loved to play golf – and, what began as a \$10 per person gentlemen’s donation at the Flying L Ranch Golf Course in Bandera, Texas, has grown into a major FUNdraising event which generates more than \$100,000 annually for children with special medical conditions.

Other Lions heard about the golf outing and dozens joined in to play in subsequent years including **Lion Ed Stebbins** who was recruited to help organize the event into an annual fund-raising opportunity. He made the original presentation to the TLC Board of Directors to make the Golf Tournament an annual fund-raising event, and recommended that the event be named in honor of Lion Harry Wickersham (who was the real golfer in the original foursome). In addition, he recruited Lion Lester Frantzen and the Fredericksburg Lions Club to help organize and operate the tournament each year.

What Is Texas Lions Camp?

Texas Lions Camp, Inc., (TLC) provides, without charge, a camp for children who are physically disabled, have Down syndrome, cancer or Type 1 diabetes from the State of Texas, regardless of race, religion or national origin. The organization was chartered as a nonprofit corporation on April 4, 1949, by the Lions Clubs of Texas and is recognized as a non-profit corporation, under section 501 (c) (3) of the Internal Revenue Service Code. The Camp is accredited by the American Camp Association and is licensed by the Texas Department of State Health Services. The Camp also has been recognized with a Four-Star rating from Charity Navigator and is an active participant with GuideStar.

For 75 years, the Lions of Texas and TLC have introduced children with special medical conditions to the “CAN DO” philosophy and encouraged them to reach for new horizons and celebrate exciting, first-time experiences. Corporate sponsorships from special friends allow TLC to help some of the most amazing children share in the best summers of their lives. Through this mission, TLC’s goal is realized when children “step up and step into their calling,” thus allowing them to achieve maximum personal growth and self-esteem.
